## SILVER CLOUD EXPEDITION

Silver Cloud Expedition is the most spacious and comfortable vessel in expedition cruising. Her large suites, her destination focused itineraries and her unparalleled service make her truly unique. Her four dining options will tantalise your taste buds, and as 80% of her suites include a veranda, watching a breaching whale or a few cavorting penguins has never been so personal. A limited number of guests in polar waters, mean that Silver Cloud has the highest space to guest and crew to guest ratios in expedition cruising. With her 16 Zodiacs, 10 kayaks, possibilities are almost limitless with ship-wide simultaneous explorations.
